St. Cuthbert's

"Pupils are happy, enjoy coming to school and their behaviour is impressive. They are prepared well for life in the outside world."

Ofsted Report

50 years of service and achievement

For 50 years, St. Cuthbert's has been at the heart of the community! How fitting that, in our Golden Jubilee Year, our Year 11 pupils should achieve our best exam results ever: **75% got 5 GCSEs at grades A* - C!**

We aim to provide the very best opportunities for our pupils in all areas of college life: *great lessons, great care, great facilities, great challenges, great extra-curricular activities, great educational visits!*

Maybe it's time you had a look for yourselves at this really special place!
